

DANSCOTT STUDIO OPEN CLASSES

Instructor: Krystin Clarke

June 18th and 19th

This is a wonderful opportunity for Danscott students who would like to keep their bodies and minds in the dance mode. We are very excited to offer open classes June 18th and 19th, with Krystin Clarke instructing. Her dance training and experience is extensive and her innovative classes will be sure to encourage and motivate all enthusiastic dancers. The classes will work on the dancer's conditioning with stretch and strength exercises and also concentrate on technique with progressions across the floor including jumps and turns. The classes will also cover a new and exciting theatre jazz, jazz or lyrical/jazz combination. We are very excited to announce that Krystin is joining the Danscott teaching staff next year so it will be a wonderful way for our students to get to meet her. Check the schedule below carefully and register by sending your form to the mailing address as noted or given directly to a Danscott teacher. Class sizes are limited so don't delay. **Please note that for any Danscott student who submits their '08-'09 registration form and appropriate fees, by June 14th, these open classes are free!**

There are two levels of dance offered.

Level A: Dancers must be at a Pre-Intermediate Jazz level (2 available classes).

Level B: Dancers must be at an Intermediate to Advanced Jazz level (2 available classes).

(The teaching staff will ensure that you have registered for the proper level.)
