## Sunday May 26, 2018 – Morning

### **START TIME 9:00am**

We will be starting promptly **Sunday, May 26 at 9:00 am**. Dance numbers have been scheduled in blocks or sessions of time to help organize the photo taking process.

**We kindly ask all dancers to be dressed and ready at the studio 30-45 minutes prior to their scheduled block of time.** For clarification, arrival times are listed beside each block. It is recommended you are ready at these times as pictures have run quite early in past years.

Please also note that we may not necessarily be going in the order that numbers are listed in each block or session. If a dancer is not at the studio for their number during their scheduled block of time, unfortunately we will not be able to hold the photograph. We will take the group photograph as scheduled. If possible, we will squeeze any late comers for an individual pose only when they arrive.
